Creation Ministries International (CMI) exists to support the effective proclamation of the Gospel by providing credible answers that affirm the reliability of the Bible, in particular its Genesis history.

Media Center - creation.com

It's time to set the record straight: Religion is not opposed to science! Of course, some religions are in conflict with some scientific findings. But not Catholic Christianity. In Catholicism, there is a longstanding tradition of science and religion operating in unison, lifting humanity toward the truth like the two wings of a bird.

The creation-evolution controversy (also termed the creation vs. evolution debate or the origins debate) involves an ongoing, recurring cultural, political, and theological dispute about the origins of the Earth, of humanity, and of other life. Creationism was once widely believed to be true, but since the mid-19th century evolution by natural selection has been established as an empirical ...

Creation-evolution controversy - Wikipedia

When I decided to start a blog, I wanted to devote a section of it to ideas that are popular in modern Christendom but are simply not true. I call these "Christian Myths," and you can see the ones I have written about so far. Interestingly enough, one of those articles (Laminin Shaminin) is the most common article on this blog that people find via search engines.
