Change is coming to antenna TV. By law, many local TV stations are moving to new frequencies. If you watch TV for free, using an antenna, you must rescan your TV to keep your channels. Any time after a station moves, rescan your TV or converter box to find all of the available channels in your area.

Try to answer questions about yourself without giving too much, or too little, personal information. You can start by sharing some of your personal interests and experiences that don't relate directly to work, such as a favorite hobby or a brief account of where you grew up, your education and what motivates you.

What Should I Do? If you are one of the 72 million Americans who rely on an antenna to watch free, over-the-air television, you'll need to rescan your television set or converter box anytime after your local stations move frequencies. Rescanning is when your TV finds all of the available channels in your area.
