Exploring Creation with Biology Published by Apologia Educational Ministries and written By Dr. Jay L. Wile and Marilyn F. Durnell Exploring Creation With Biology is a biology course that is written to the student (the reader of the book), not to a classroom, and that is one of the things that makes this curriculum unique.

### **Resources for Apologia's Exploring Creation With Biology**

A chemistry book lists the rate constants for 2 different reactions. The first rate constant is 0.12 1/s and the second is 34.5 1/(Mxs). Even though the rate equations for these reactions are not given, an astute student says that the overall order of these 2 chemical reactions must be different from each other.
