APM Project Management Qualification (PMQ) formerly known as APMP What is the APM Project Management Qualification? The Project Management Qualification (PMQ) (SCQF Level 7), is a knowledge-based qualification developed by APM, the chartered body for the project profession, that allows candidates to demonstrate understanding of all elements of project management.

APM is committed to promoting a positive attitude towards people with learning and physical needs. It has a great deal of experience in facilitating individual requirements and tailoring adjustments with the aim of removing any unfair disadvantage that the individual may encounter as a consequence of his or her medical condition.

Project Management Qualifications What Project Management Qualification should I take? Associate Project Management Professional (APMP) This project management qualification is for anyone with at least six months project management experience. It is particularly suited to people working as a project team member, as part of a project management office, or has just accepted project management as ...
