A central bank, reserve bank, or monetary authority is an institution that manages a state's currency, money supply, and interest rates. Central banks also usually oversee the commercial banking system of their respective countries. In contrast to a commercial bank, a central bank possesses a monopoly on increasing the amount of money in the nation, and usually also prints the national currency ...

Socionics is a similar school of personality theory that claims to be the next step past Carl Jung and MBTI. I'll leave it to you all to research the differences between them, since we all know that the reason we're really here is to hear more about ourselves. So, I'm going to skip over the formalities and jump straight to the fun part; how the "INTJ" translates to Socionics.

It was about three months ago, on my last trip down to the Kansai area of Japan, that I realized I was standing in front of THE car of 2013. As Ueta-san of BenSopra ran the plans he had for his 180SX-based project by me, it quickly became obvious that there wasn't going to be one single car at the 2013 Tokyo Auto Salon that would come close to matching the sheer awesomeness of this machine.
