Both of these books answer such questions as: Can natural ...

Can Natural Processes Explain the Origin of Life ...

Miller: No, I certainly don't think they do. I think the whole tradition of Western science is that science and religion are not mutually exclusive. There are many people in the scientific community, in the United States and around the world, who hold strong religious points of view and do not see their points of view conflicting with working in science or even with the philosophy of science.

Real Revival by Sandy Simpson. This DVD is a message based on this article.. Acts 3:19 Therefore repent and return, so that your sins may be wiped away, in order that times of refreshing may come from the presence of the Lord;. There has been so much hype of "revival" in our modern day that it is easy to forget the true biblical criteria and definition of revival.
