MCSA Windows Server 2016 Complete Study Guide ... - Wiley

The clitoris contains external and internal components. It consists of the glans, the body (which is composed of two erectile structures known as the corpora cavernosa), and two crura ("legs"). It has a hood formed by the labia minora (inner lips). It also has vestibular or clitoral bulbs. The frenulum of clitoris is a frenulum on the under-surface of the glans and is created by the two medial ...

Clitoris - Wikipedia

Worldwide, breast cancer is the most frequently diagnosed life-threatening cancer in women. In less-developed countries, it is the leading cause of cancer death in women; in developed countries, however, it has been surpassed by lung cancer as a cause of cancer death in women.

The vulva (plural vulvas or vulvae; derived from Latin for wrapper or covering) consists of the external female sex organs. The vulva includes the mons pubis, labia majora, labia minora, clitoris, vestibular bulbs, vulval vestibule, urinary meatus, the vaginal opening, and Bartholin's and Skene's vestibular glands. The urinary meatus is also included as it opens into the vulval vestibule.

Vulva - Wikipedia

Everybody laughed harder than they have ever laughed at anything written in the early-mid 19th century ever before. This is 'cause Anne Lister wrote some very unique erotica and had a lot of ...

The most common cause of portal hypertension is cirrhosis. Vascular resistance and blood flow are the 2 important factors in its development. The images below depict esophageal varices, which are responsible for the main complication of portal hypertension, upper gastrointestinal (GI) hemorrhage.

Portal Hypertension: Practice Essentials, Background, Anatomy

Lower extremity edema involves swelling of the feet and legs, which typically occurs due to an abnormal accumulation of fluid. This fluid buildup can be caused by a wide variety of factors, ranging from something relatively simple, such as standing too long, to something more serious, such as kidney disease. Treatment is geared toward the underlying cause of the swelling and may include ...
