Short Answer Response = One Thesis Statement + one form of support + closing statement. (SAR= TS + S + CS) Thesis Statement: The thesis statement is that sentence or two in your text that contains the focus of your essay and tells your reader what the essay is going to be about. (You must restate the question in your thesis statement.)

### **How to write a Short-Answer Response**

5 Answers. Anytime a person returns communication it can be called a response or a reply, while an answer is a form of response which is a solution to a problem or question. So response and reply are generic and can be used in any situation, while answer is more specific in its usage. So if you asked a question or asked...

### **What are the differences between response and answer?**

ACE is the high school formula for students to use when constructing a short answer response. So why look at this starting in 6th grade? If we vertically align the instruction in middle school we can bridge the gap between middle school and high school to improve 9th grade short answer response (SAR) scores. A: Answer the question.

### **Short Answer Response | Smore Newsletters for Education**

The most typical response to a question is an answer that provides the information indicated as being sought by the questioner. This may range from a simple yes or no (in the case of yes-no questions) to a more complex or detailed answer. (An answer may be correct or incorrect, depending on whether the information it presents is true or false.) An indication of inability or unwillingness to provide an answer is the other response to a question.
