Preface to the Second Edition. The present edition of this History of Islamic Philosophy, which was first published in 1970, embodies a number of changes which I hope will make this book even more useful to the reader than the first one. A number of corrections have been made throughout the book, the final chapter expanded somewhat and the bibliography updated and rearranged.

Acres of Diamonds by Russell Conwell Although one might think that Acres of Diamonds is about the Kimberlite mines in South Africa and how Diamonds are worthless stones having an artificial value which does not account for the pain and suffering to the people that extract them in miserable conditions for low wages. It is actually about how many people have been sitting on millions of dollars ...
