I'm going to tell you the weirdest and, yet, most obviously true thing you've ever heard: You're not a person. This is going to sound like some real Rust Cohle s**t, but bear with me because deep down you already know all of this.. For instance, you already know that you are, to a certain degree, a product of your genes -- they go a long way toward determining if you would be physically ...

This can be done by providing too much information! Schechter gives an example of the Kosovo War, where briefers at NATO's headquarters in Belgium boasted that this was the key to information control. They would gorge the media with information, Beelman writes, quoting one as saying, When you make the media happy, the media will not look for the rest of the story.
