What G0YS embrace is masculinity in it's purest forms. Many G0YS are GAY-identified, or (usually)-ambIsexual men (who might wear those labels IF they were not aware of the G0Y movement). Many G0YS are STRAIGHT identified (involved in marriage or exclusive relationships with women) also - but have these deep feelings for masculine affection nonetheless (whether ever acted upon or not).

• No • It is not the result of a decision or ongoing daily effort. Professional mental health organizations, including the American Psychological Association, have issued statements explaining that sexual orientation is not a choice and cannot be changed.. Most people discover (rather than choose) their sexual orientation before or during early adolescence, and before any sexual experience.
