Gender equality for development is a core theme of i2i work and cuts across all thematic areas. We identify two areas of growth for the current i2i gender analytical agenda: design and test gender strategies in areas where gender-specific constraints have been identified; and build the evidence on gender-specific market failures in underserved areas of impact-evaluation practice.

MUMBAI: Corporates will soon come under pressure to disclose bank statements with credit rating agencies. The Reserve Bank of India has directed rating firms to scan bank account details — capturing the flow of fund in and out of a company — in assessing its ability to repay loans. Many companies, it is widely believed, would be reluctant to part with such information which are shared with ...
