WebAssign is built to withstand the rigors of teaching calculus to today's students. Our patent-pending grading engine works like a real professor and recognizes all algebraically equivalent answers to even the most complex problems.

Calculus - WebAssign

Whenever possible, repeat a measurement several times and average the results. This average is generally the best estimate of the "true" value (unless the data set is skewed by one or more outliers which should be examined to determine if they are bad data points that should be omitted from the average or valid measurements that require further investigation).

Webassign tests that are too short make this class a lot harder than it should be. She has good online lectures and a lot of chances to work on problems, but the tests are brutal.

Kay Sandberg at North Carolina State University ...

Falk is the worst professor I've ever had. The way he teaches is just going over problems that don't have the same format as the homework so when you go to do the homework you basically have to teach yourself everything.
