World history or Global history (not to be confused with diplomatic, transnational or international history) is a field of historical study that emerged as a distinct academic field in the 1980s. It examines history from a global perspective. It is not to be confused with comparative history, which, like world history, deals with the history of multiple cultures and nations, but does not do so

With more than 80 years of life, BRF has become one of the largest food companies in the world thanks to the birth of its main brands. It was in the 1930s, in the interior of Santa Catarina, that Perdigão emerged as a small business of two families of Italian immigrants. In the following decade, it was the turn of Concordia, also in Santa Catarina, to receive Sadia.
