A gamebook is a work of printed fiction that allows the reader to participate in the story by making choices. The narrative branches along various paths, typically through the use of numbered paragraphs or pages. Each narrative typically does not follow paragraphs in a linear or ordered fashion.

Gamebook - Wikipedia

The early 1980s recession was a severe global economic recession that affected much of the developed world in the late 1970s and early 1980s. The United States and Japan exited the recession relatively early, but high unemployment would continue to affect other OECD nations until at least 1985.. Long-term effects of the recession contributed to the Latin American debt crisis, the US savings ...
