Theocracy is a form of government in which a religious institution is the source from which all authority derives. The Oxford English Dictionary defines it as "a system of government in which priests rule in the name of God or a god.". An ecclesiocracy is a situation where the religious leaders assume a leading role in the state, but do not claim that they are instruments of divine revelation ...

1 Introduction: Peoples, religions, Constitution and Charter. This article is about the South African Constitution,¹ the South African Charter of Religious Rights and Freedoms (South African Charter)² and religions in South Africa. Unfortunately, I have to limit myself to the constitutional position of just two of the many religions in the country, as space and time do not allow for more.

Violence is escalating in Central Mali, often neglected as the world focuses on problems in the country's north. Radical groups and criminal gangs are exploiting years of short-sighted security policies that have lost the state much of its legitimacy. The government needs to recognise that state authority also rests on public services and dialogue with its people.
