Pearson, as an active contributor to the biology learning community, is pleased to provide free access to the Classic edition of The Biology Place to all educators and their students. The purpose of the activities is to help you review material you have already studied in class or have read in your text.

**Lab 12: Dissolved Oxygen - Prentice Hall**

Tip: "While I was recently going over the dissolved oxygen data from Lab 12, I realized that the nomograph in edition D (page 140) of the AP Lab Manual is very poor and inaccurate. I compared it to a chart of 100 percent oxygen solubility at different temperatures, and in all cases for the chart values at 100 percent, the nomograph reads ...
