The Bible provides a reliable history of the universe and the events described in the Bible, particularly in the early chapters of Genesis, provide a framework through which we can interpret

science and history.

Bible Timeline | Answers in Genesis

1 Every art and every inquiry, and similarly every action and pursuit, is thought to aim at some good; and for this reason the good has rightly been declared to be that at which all things aim. But a certain difference is found among ends; some are activities, others are products apart from the activities that produce them. Where there are ends apart from the actions, it is the nature of the ...
