**Podcast Hosting Pricing - Podbean**

In May we looked at some of Richard Mayer's research-based principles of learning and training design. Another area of current thought in learning and brain science - closely linked to ideas around those discussed in May — relates to Cognitive Load theory. Prominent names here are John Sweller, Frank Nguyen, and Ruth Clark; I've included a reading list below.

**Nuts and Bolts: Brain Bandwidth - Cognitive Load Theory ...**

Digital asset management allows you to easily find and share what you need in one place — saving time and money. Ensuring your files, images, and videos are protected, consistent, and usable means increasing the ROI from all your digital assets.
