Book 1, Chapter 4. Property is a part of the household, and the art of acquiring property is a part of the art of managing the household; for no man can live well, or indeed live at all, unless he be provided with necessities.

Aristotle's "Politics" - Jim

More than two millennia later, George Boole alluded to the very same principle as did Aristotle when Boole made the following observation with respect to the nature of language and those principles that must inhere naturally within them: There exist, indeed, certain general principles founded in the very nature of language, by which the use of symbols, which are but the elements of scientific ...

Close your eyes. Imagine the voices that mingle at the crossroads of souks, bazaars, fairs, and trading posts. Then come back to the present. This improvisational game embodies an imaginary, interactive exchange at The Marketplace happening any place and any time intersecting a cadence of virtual voices and the consonance of curios (and the curious).
