In August of 2018, Dell EMC announced the launch of its new high-performance, modular infrastructure, the PowerEdge MX7000. The 7U MX7000 is sort of an evolution of the company's M1000e modular blade chassis. With the popular M1000e, users are able to quickly add in blades depending on there needs e.g. add more storage, compute, or extra networking.

Readability is the ease with which a reader can understand a written text. In natural language, the readability of text depends on its content (the complexity of its vocabulary and syntax) and its presentation (such as typographic aspects like font size, line height, and line length). Researchers have used various factors to measure readability, such as ...

"I think the world of Web development is becoming easier and easier but it's also making it harder for guys like me to find work because so many people want to use out-of-the-box responsive layout sites that are easy to implement and launch. I personally would much rather make a site from scratch than use a template.
