I don't know what that was all about. They're currently accredited with DETC as "Ashworth College", so that's what I use. As for the rest of your criticisms: 1. The school does NOT give you the answers before you take the test and the questions that are given are from straight out of the textbook. I don't know where you're getting that one. 2.

Ashworth College - University Review - Norcross, Georgia ...

PS390 Exam 4&5 Answers (Ashworth College) A professor believes the students in a statistics class this term are more creative than most other students attending the university. A previous study found that students at the university had a mean score of 35 on a standard creativity test, and the current class has an average score of 40 on this scale with an estimated population standard deviation of 7.
