problem. Make sure it is something that interests you. Topic (Problem) Due Wednesday, January 16th. Find three articles about your problem. Research days Thursday, January 17th and Friday, January 18th.

Problem and Solution Project - misskjuniorhigh

Finding a solution does not mean that the problem is solved. You still need to implement the solution, and that requires a plan of its own. Even the best solutions often fail because of ineffective implementation, so a plan needs to include: What will happen. Who and what will be affected. What resources are required. Timescales. Deliverables ...
