What is Competency-Based Education? - Definition & History

The Administrative Assistant test evaluates a candidate's aptitude for understanding numerical information, comprehension of written communication, and ability to make logical conclusions about facts and figures.. It's an ideal test for the pre-employment screening of candidates applying for office-based clerical roles, such as administrative assistants or secretaries.

Administrative Assistant Test | TestDome

Competency approach to job depends on competency mapping. Competency Mapping is a process to identify key competencies for an organization and/or a job and incorporating those competencies throughout the various processes (i.e. job evaluation, training, recruitment) of the organization. A competency is defined as a behavior (i.e. communication, leadership) rather than a skill or ability.
