Social Studies Resources. Social studies is the study of the social sciences, humanities and history, and has the primary purpose of helping young people make informed decisions as citizens of a democratic society. It teaches young kids how our society functions by studying its history and applying those lessons to current events.

The trait of extraversion-introversion is a central dimension of human personality theories. The terms introversion and extraversion were popularized by Carl Jung, although both the popular understanding and psychological usage differ from his original intent. Extraversion tends to be manifested in outgoing, talkative, energetic behavior, whereas introversion is manifested in more reserved ...

Collaborative learning is a situation in which two or more people learn or attempt to learn something together. Unlike individual learning, people engaged in collaborative learning capitalize on one another's resources and skills (asking one another for information, evaluating one another's ideas, monitoring one another's work, etc.).
