"God Save the Queen" (alternatively "God Save the King", depending on the gender of the reigning monarch) is the national or royal anthem in a number of Commonwealth realms, their territories, and the British Crown dependencies. The author of the tune is unknown, and it may originate in plainchant; but an attribution to the composer John Bull is sometimes made.

When I found this out not long after release, it killed the game for me way more than anything else. I could deal with bad loot drops and bugs for the time being because things like that could be fixed in due time but when I realised that numbers don't mean anything and there was no core to any of the stats I knew that Anthem had failed big time.
