Organic Chemistry Textbooks - Homework Help and Answers

Best Answer: i was a chem major who loved organic and am now in pharmacy school. i've been (unpleasantly) surprised at how little chemistry we learn and need to know, so you'll probably be fine. we have a medicinal chemistry class which is the closest we've gotten to organic chem, but there's much more of a clinical focus rather than learning chemistry for the sake of chemistry.

I despise organic chemistry. Am I doomed as a pre-pharmacy ...

Ask any premed student and most will tell you that organic chemistry, especially organic chemistry II, is the toughest course that they've taken in college. At some schools, professors take pride in making this the weed-out course for potential medical students; and I've personally known good students who've given up on medicine just because of [...]

Why Organic Chemistry is the Weed-Out Course for Premeds

What are the pre-requisites for organic chemistry? At my community college, there are several chemistry classes you are required to take prior to registering for organic chemistry such as inorganic chemistry, general chemistry, intro to chem etc.
