Christian Kids Explore Chemistry, Second Edition: Robert W ...

Science curriculum doesn't have to be expensive. A good portion of what we've used for science over the years has been free resources! I remember science being incredibly dry and boring in school and I want my children's science experience to be anything but boring. Because of that, I seek out resources that offer learning through living books and lots and lots of experiments.

Humanism is a philosophical and ethical stance that emphasizes the value and agency of human beings, individually and collectively, and generally prefers critical thinking and evidence (rationalism and empiricism) over acceptance of dogma or superstition. The meaning of the term humanism has fluctuated according to the successive intellectual movements which have identified with it.

Humanism - Wikipedia

What does the word "apologetics" mean? The word "apologetics". is derived from the ancient Greek word apologia, which means, an apology.. Not an apology in the modern sense of the word - which is to say you're sorry for something. But rather, an apology in the ancient sense of the word - which is to make a reasoned defense of something or someone.
