So we finally come to a subject none of us likes talking much about--weight! Because, you know at some point one of your little darlings is going to ask, "How much do you weigh?". Luckily, in kindergarten, we deal strictly in non-standard units of measurement. So I'm honest. I tell them. Approximately 15,000 cubes. If they can figure out how many pounds that is, then I really am a phenomenal ...

One of the most daunting challenges ACAMS members find is studying for the CAMS exam. For many of us, it has been years since we last picked up a textbook with the intent of learning it well enough to take an exam. In addition, since we are no longer in the academic life, we no longer enjoy the luxury of time that academics often offers – at least not compared to the professional life ...
