The NBT test (national benchmark test) is your ticket to university. Find out all you need to know to prepare for your NBTs, including courses to help you.

NBT test - National Benchmark Test | Advantage Learn

The point made above about the suitability — to you — of candidate nameservers is a crucial one, since everything is about where you are located relative to the nameservers being tested. You might see someone talking about how fast some specific DNS nameservers are for them, but unless you share their location there's absolutely no guarantee that the same nameservers would perform as well ...
