Page 12: Answering Questions Teachers routinely assign the questions at the end of a chapter to determine whether students have comprehended that chapter's content. Although students might be able to answer questions whose answers are explicitly stated in the text, they might have more difficulty answering those that require them to make inferences or draw upon different sources of information.

I couldn't see questions which needed to be answered and where to type in the answer. But today I did. How you ask. I'm not from the USA, so Bing never treats my IP address among its recognized IPs. But I have a completely functional Bing Rewards account. So I tried using a VPN today with USA as the location and it worked.
