Students arrange the cards in sequence to explain how specific response occurs in the immune system. Answer key in bottom corner of each card = BACTERIUM!...

Immune system sequencing cards by elevateeducation.co.uk ...

Credits: 1. Prerequisite: Middle school biology and chemistry. Recommended: 9th or 10th Test Prep: CLEP Biology This course covers the basic material for this exam, but this is considered a very hard test, and I would suspect more will need to be studied to learn everything required for this huge exam. It's worth the same as two college courses which is why it covers so much.
