SAGE Research Methods: Find resources to answer your ...

A methodology does not set out to provide solutions - it is, therefore, not the same as a method. Instead, a methodology offers the theoretical underpinning for understanding which method, set of methods, or best practices can be applied to specific case, for example, to calculate a specific result.

what is research methodology? | Yahoo Answers

Scenario 1. Research suggests that the antioxidants in foods such as blueberries can reduce perhaps reverse age-related declines in cognitive functioning. To test this phenomenon, a researcher selects a sample of 25 adults aged between 70 and 75 years old and administers a cognitive function test to each participant.
