What she said is 100% what is in the video. The argument some make is that the video is heavily edited (which it is, but not in a way that distorts anything from what I can see from the full context), but the fact of the matter is that what the video shows is what she said. It's irrelevant if the baby being shown for dramatic effect was next to the woman when she said those words.

Who I am is a 45 year old autistic male, who is an extreme introvert that happens to like reading and writing fanfiction. Jonn Wolfe is my pseudonym for most things, including writing. According to the Myers-Briggs Type test, I'm an "INFP-t", for whatever that is worth. For those who care about music, I listen to soundtracks from various films and television shows, Rock, Trance, Classical...
