Globalization has left many manufacturing and service-oriented companies with the option of pursuing worlds best practices or perish. Many companies now realize the need for the development of world class systems and methodologies, as well as acquiring the "productivity tool" that will let them be in a commercial position to offer competitive manufacturing resource planning that assures ...

Understanding the Concepts of MRPII/ERP

Many pseudo critical thinking approaches present all judgments as falling into two exclusive and exhaustive categories: fact and opinion. Actually, the kind of judgment most important to educated people and the kind we most want to foster falls into a third, very important, and now almost totally ignored category, that of reasoned judgment.

Three Categories of Questions: Crucial Distinction
