1 If you choose Analytic number theory II (M829), you must take Analytic number theory I (M823) first.. You should note that the University's unique study rule applies to this qualification. This means that you must include at least 40 credits from OU modules that have not been counted in any other OU qualification that has previously been awarded to you.

E23 | Postgraduate Diploma in Mathematics | Open University

Career relevance. Mathematics postgraduates can be found throughout industry, business and commerce, in the public and private sectors. Employers value the intellectual rigour and reasoning skills that mathematics students can acquire, their familiarity with numerical and symbolic thinking and the analytic approach to problem-solving which is their hallmark.
