When applying for a new job, a great resume is extremely important in order to get your foot in the door. It is especially important when you think about the fact that on average, about 250 resumes are submitted per each corporate job opening. While this number obviously fluctuates depending on the industry and company, it still showcases the importance of a strong resume to get you noticed.

Price. Clover Station differs from other POS systems in the way it's marketed and sold. It must be sold with a merchant account, so instead of being available from one location for one set price, it can be bought from thousands of different banks, business suppliers, and merchant services providers, each one offering different swipe fees and hardware costs.
