In the Church of Scientology, auditing is a process whereby the auditor takes an individual, known as a PC or "preclear", through times in their life and claims to get rid of any past or current negative situations that may have hold on them.. Auditing began as an integral part of the Dianetics movement and has since, by the use of the E-Meter, become a core practice in Scientology.

An audit is a systematic and independent examination of books, accounts, statutory records, documents and vouchers of an organization to ascertain how far the financial statements as well as non-financial disclosures present a true and fair view of the concern. It also attempts to ensure that the books of accounts are properly maintained by the concern as required by law.
