Briefing is a phase that you eventually grow out of. After the first semester, students tend to brief a lot less. Their briefs may just end up being the rule of law or they will write notes in the margin of the casebook, which highlight the different elements. While some complex cases in your second and third years demand briefing, you will probably pick up the skills you need in your first ...

The SMART method of goal setting can be used in conjunction with the 4CF goal setting method described by Dr Edwin Locke and Dr Gary Latham as part of their work on goal setting theory. The 4CF method encourages you to think about a goal in its widest sense and is complemented by using the SMART method described here to then state the goal in a specific way.
